

“বিজ্ঞানের উদ্ভাবন: দূষণমুক্ত নিরাপদ জীবন” শীর্ষক সেমিনার ০৬/১০/২০১৯ ইং তারিখে জাতীয় বিজ্ঞান ও প্রযুক্তি জাদুঘরে অনুষ্ঠিত হয়। উক্ত সেমিনারে আলোচনার একটি মুহূর্ত।

# Exhibition of innovative projects held at NMST

STAFF CORRESPONDENT

---

An exhibition of innovative projects was held at the National Museum of Science and Technology (NMST) in the capital on Sunday.

A total of 25 fresh scientists came up with their projects at the exhibition centre at the NMST. Some of the newly invented science projects are IO- BEE, BUS Guard, Coast Guard, Office assistant Robot, Agriot, IOT Based Detection of Disaster, Crop Diseases Detection and Analysis, Lunar VR and some other.

NMST Director General (DG) Muhammad Munir Chowdhury visited the exhibition and lauded all scientists for their innovation. In his speech, DG Munir Chowdhury said all the innovation of the fresh scientists is better.

“We will not only confine the invention to the seminar, we will also utilize the invention, he said. Officials of NMST, teachers and students also attend the programme.
